

The Edmonton Arts Council is a non-profit society and charitable organization that supports and promotes the arts community in Edmonton. The EAC provides grants to Edmonton festivals, arts organizations and individual artists and initiates projects and partnerships that increase the profile and involvement of the arts in all aspects of community life.

Members of the Edmonton Arts Council include artists, arts and festival organizations, individuals, businesses, government members, corporations and media who believe in supporting and promoting the arts in Edmonton.

Members can vote in board elections, run for board positions, keep up with arts opportunities, news and events through our email notices *EAC Weekly* and *TIX Weekly*, and network with other artists and arts supporters at member mixers.
